

DELEGATION OF AUTHORITY FOR BUDGET-NEUTRAL
AMENDMENTS WITHIN CITY DEPARTMENTS' INDIVIDUAL BUDGETS

In the year Two Thousand Thirteen.....

Resolved by the City Council of the City of Burlington, as follows:

That WHEREAS, the City Charter Article 56, Section 157 requires City Council approval of all budget amendments; and

WHEREAS, the frequency of requests for budget amendments by departments has increased due to the implementation of the New World financial reporting system; and

WHEREAS, the New World financial reporting system has built-in features that prohibit over-expending certain expense categories, resulting in the need for frequent budget-neutral amendments within departments; and

WHEREAS, the frequency of Board of Finance and City Council meetings is such that there have been times when certain invoices could not have been paid on time without a budget adjustment being processed; and

WHEREAS, City departments often have the opportunity to accept and spend small grants that do not require matching contributions from the City and are therefore budget-neutral;

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby delegates authority for approval of budget-neutral line amendments until December 31, 2013, including the acceptance of grants and expenses related thereto, within departments at or below a certain dollar amount as follows:

Mayor	\$25,000
Chief Administrative Officer	\$10,000
