RE: Impact Fees

The purpose of Impact Fees is clearly defined below:

Title 24: Municipal and County Government

Chapter 131: IMPACT FEES § 5200. Purpose

It is the intent of this chapter to enable municipalities to require the beneficiaries of new development to pay their proportionate share of the cost of municipal and school capital projects which benefit them and to require them to pay for or mitigate the negative effects of construction. (Added 1987, No. 200 (Adj. Sess.), § 37, eff. July 1, 1989.)

As a requirement of **Sec. 3.3.9 Expenditure and Distribution of Impact Fees**, impact fees must be used for capital improvements to accommodate the demands created by new growth. The City's Chief Administrative Officer is required to maintain records of all impact fee receipts and disbursements by category, and include a summary of the same in each City Annual Report.

Any expenditure of impact fees must be authorized by the City's Chief Administrative Officer and distributed to city departments solely for the purpose of capital projects. We respectfully request that the impact fee balance as of June 30, 2013 be distributed to city departments, and adopted for the Fiscal Year 2014 Budget. A summary of expenditures is attached.
