Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 45-2620309. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

Decision: Approved

Property Address: 7-45 KILBURN STREET

Description: Change of use from storage to micro-brewery/winery with associated tasting area to be completed in two phases. First year approx. 6,714 sf; 2nd year additional 9,134 sf. for a total of 14,924 sf with 924 sf accessory office. Rooftop mechanical units; membrane roof.

Project Permit Conditions:

1. From Appendix A, Use table, Footnote 19: *Cafes are not permitted as an accessory use. Retail sales and tasting are permitted as an accessory use.* Minor food service as an accompaniment to product tasting may be expected (particularly as required by liquor licensure); however a distinct café would be a violation of this condition.
2. Any signage will require a separate sign permit.
3. Phasing will permit a 2 year build out of proposed use. The entire change of use should be completed within the time frame of this permit. Any extension will require a separate request and review.
4. The parking calculation is based on the entire build-out of 15,848 sf.
5. The applicant is required to obtain a state wastewater permit, and any other associated and required permits for the change of use.

Standard Permit Conditions:

1. **Other City, State or Federal Permits.** The owner is solely responsible for obtaining all other required City, state and federal approvals. Failure to do so may invalidate this Zoning Permit and result in enforcement actions.
Note: All projects receiving a Zoning Permit also require a Construction Permit or written confirmation that a Construction Permit is not required from Department of Public Works-Inspection Services Division (DPW-ISD). All construction permits must be closed out by way of approved inspections by DPW-ISD before issuance of a Unified Certificate of Occupancy (UCO) by the Code Enforcement Office as per Condition 3, below.
2. **Time Limits.** This zoning permit shall become invalid unless work or action authorized by the permit is commenced by **September 5, 2014**. The owner shall complete the approved project and obtain a UCO (combined Zoning and Building certificates of occupancy, still applicable even if a zoning or building permit was not required) by **September 5, 2015**, or be subject to enforcement actions.

These time limits are binding upon the owner unless one of the following apply: a) longer or shorter time limits are specifically imposed by a condition of approval; or b) the time limits are

11. **Incorporation and Reference of All Plans Presented.** This approval incorporates by reference all plans and drawings presented and all verbal representations by the applicant on the subject application to the extent that they are not in conflict with other stated conditions or regulations.
12. **For Properties Involved in Boundary Disputes.** Boundary disputes are not within the jurisdiction of the administrative officer or the Development Review Board. When an application is submitted and the boundary of the subject property is called into question, the boundary will be determined based upon the best evidence available, for instance a survey or other official document. If a permit is issued and contrary evidence is presented to the City after the fact, such as a survey or Superior Court ruling with respect to the boundary lines, the permit may be amended or revoked by the City. If the permit is amended or revoked, owner shall bear all costs to remedy the situation, including removal of the structure(s) if necessary, that is if the structure(s) is/are unable to meet the requirements of the CDO and receive an amended permit in light of the actual boundary line.
13. **Damage to City Property.** The Owner is responsible for any damage to the City of Burlington's property, including but not limited to its right-of-way, sewer/water lines, etcetera, that occurs during the site improvements authorized by this permit. If damage occurs, the Owner shall restore the property to a condition equal to or better than the condition of the property prior to such damage.
14. **City Rights-of-Way and Ownership.** Permit approval does NOT authorize any work to be undertaken within the public ROW. Any work in the ROW can only occur with prior authorization by DPW and City Council, as required. Any work or improvements that are taken within the City's right of way does not diminish the City's ownership or authority regarding said right of way.
15. **Liquor License Required.** An approval of any use that includes the sale of alcoholic beverages is contingent upon the receipt of a liquor license from the City of Burlington or the State of Vermont, whichever is applicable.

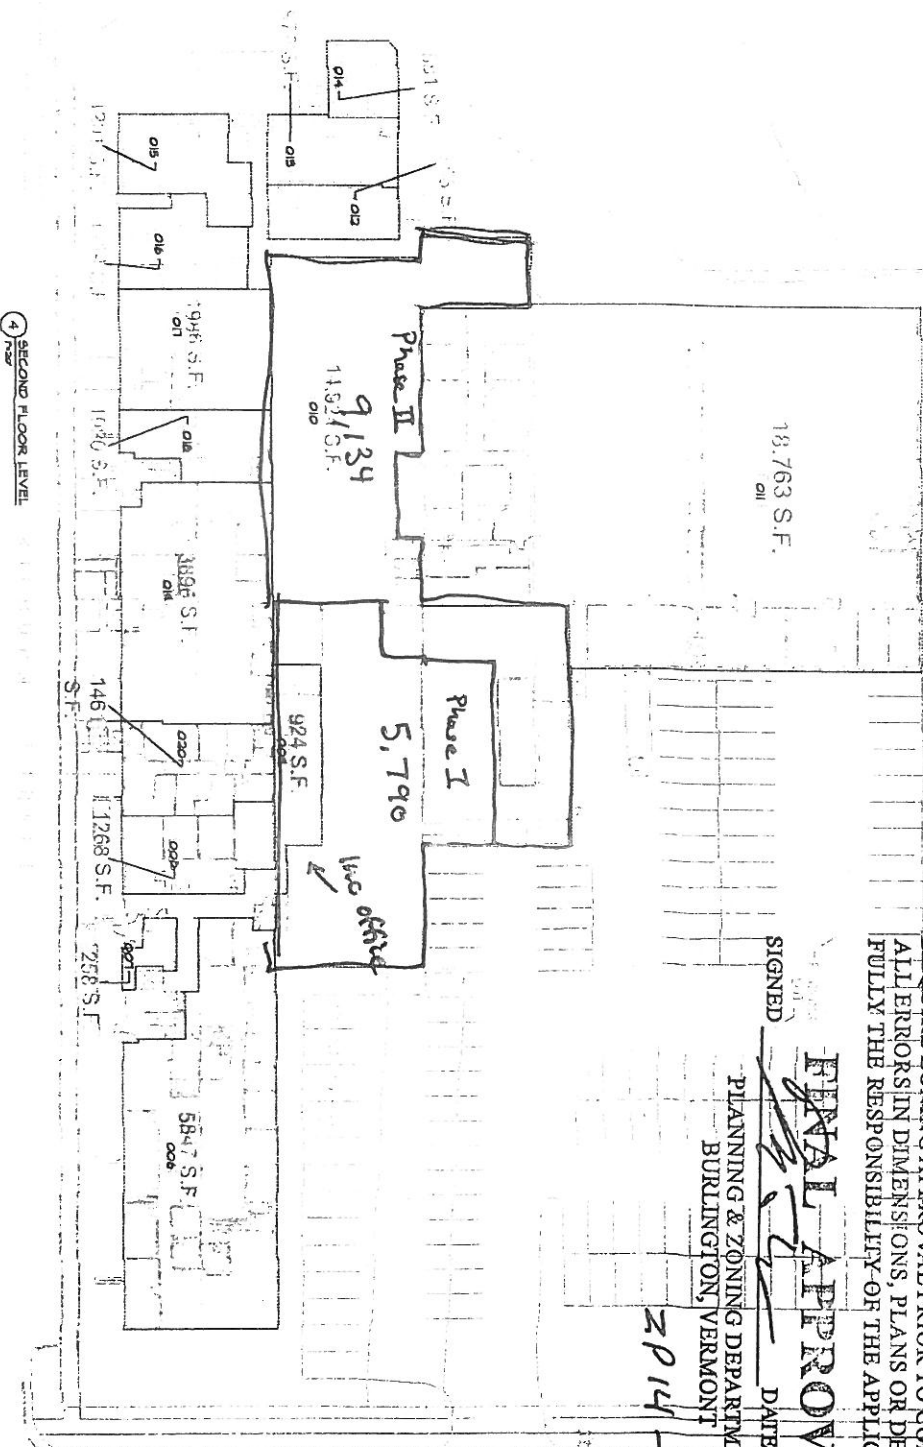

ANY MODIFICATIONS OR DEVIATIONS FROM THESE PLANS REQUIRE ZONING APPROVAL PRIOR TO CONSTRUCTION. ALL ERRORS IN DIMENSIONS, PLANS OR DETAILING ARE FULLY THE RESPONSIBILITY OF THE APPLICANT/OWNER.
