

Ward I Neighborhood Planning Assembly

April 11, 2012

Room 427a, UVM Waterman Building

MEETING GROUND RULES

- Listen to Who's Speaking ~ Share your opinion politely ~ Treat all people respectfully ~
- Respect Agenda & Process ~

Agenda:

7.00 p.m.: Welcome and introductions.

7.05: City Council Update: Sharon Bushor

7.15: Speak Out

7.25: "Challenges and Solutions for Burlington's High Density Neighborhoods": Presentation by Emily Lee, and Q&A.

There has been much discussion recently about the quality of life "tipping point" of certain local neighborhoods - for renters and owner/occupiers. Please engage as we explore this further.

7.55: City Council Update: Ed Adrian

8.00: "Exit 14 Slip Lane and Intermodal Parking Facility": Presentation by CATMA, RSG Consultants and Christine Forde, Senior Transportation Planner CCRPC.

This is a project designed for space in South Burlington behind the Sheraton Hotel.

There will be a public meeting at the Sheraton on April 19th, but this is an opportunity for Ward 1 residents to learn about the impact to our Ward: Traffic implications and impact on adjacent neighborhoods and Centennial Woods in particular.

8.30: Close

All Ward 1 residents are enthusiastically invited to Wednesday's Meeting, listen to presentations on two crucial topics and weigh in on discussions.
