15 Resolved by the City Council of the City of Burlington, as follows:

16
17 That WHEREAS, the Community and Economic Development Office of the City of Burlington has
18 employed a Sustainability Coordinator to coordinate the Burlington Sustainability Program (developed
19 from the Legacy Program’s environmental component) since 2007; and

20 WHEREAS, the City intends to re-invigorate its relationship with the Legacy Program’s stakeholders
21 through a one-year pilot partnership and will require a large portion of the Sustainability Coordinator’s
22 time; and

23 WHEREAS, in addition, the Sustainability Coordinator will be charged with developing a
24 comprehensive energy savings plan for the City; and

25 WHEREAS, full funding for the Sustainability Coordinator position was not included in CEDO’s
26 approved FY 14 budget, but the Mayor and Chief Administrative Officer were to report back to the
27 Council how this position could be funded because the funding has not been based on a clear strategy and
28 has contributed to CEDO deficits over the past years; and

29 WHEREAS, the Mayor now proposes to fund a portion of that position out of the City’s
30 contingency fund; and

31 WHEREAS, the Board of Finance has recommended approval on December 9, 2013;

32 NOW THEREFORE, the City Council approves the request by Mayor Weinberger to use no more
33 than \$39,603 from the City’s contingency fund to contribute to the CEDO budget to help fund the
34 Sustainability Coordinator position.
