

BURLINGTON INTERNATIONAL AIRPORT  
PERSONNEL SUMMARY

June 1, 2012

The Burlington Airport employs the following;

Thirty-three (33) full time, regular positions with two (2) vacancies

One (1) full time, limited service position

Seven (7) part time, limited service positions

Twenty-five (25) temporary positions. Two of the persons in these temporary positions are individuals with handicaps who the Airport has placed in coordination with Champlain Community Services (CCS) and only work a combined total of six hours per week.

The Airport does not currently have any seasonal employees, but is using some of its temporary personnel to assist with seasonal labor needs.
