14 In the year Two Thousand Ten.....

15 Resolved by the City Council of the City of Burlington, as follows:
16

17 That WHEREAS, Burlington Electric Department (“BED”) has been evaluating for some time
18 methods to encourage development of net metered solar power installations within its service
19 territory in light of the perceived benefits that flow from these installations; and

20 WHEREAS, BED has developed a Net Metered Renewable Energy Source Rider
21 attached hereto (“Rider”) that will be made available to customers on a voluntary basis; and

22 WHEREAS, the Rider will provide additional compensation to customers who install
23 solar arrays of 250 KW or less in size than would otherwise be available under a typical net
24 metering arrangement; and

25 WHEREAS, at its regular meeting on December 9, 2009, the Burlington Board of
26 Electric Commissioners unanimously approved the Rider and recommended adoption of same by
27 the City Council.

28 NOW, THEREFORE, BE IT RESOLVED that the City Council approves the Rider
29 attached hereto; and

30 BE IT FURTHER RESOLVED that BED is authorized to proceed before the Vermont
31 Public Service Board to obtain approval of the Rider.
