14 In the year Two Thousand Ten.....

15 Resolved by the City Council of the City of Burlington, as follows:  
16

17 That WHEREAS, over the past several months the Burlington Police Department (BPD) been  
18 working on a project to replace its Computer Aided Dispatch & Records Management System  
19 (CAD/RMS) with a less expensive, more intuitive, easy to operate system based on 21<sup>st</sup> Century  
20 thin client (web enabled) architecture; and

21 WHEREAS, BPD created a partially functioning prototype of the system as a demonstration  
22 of the simplicity and ease of use that they were trying to achieve; and

23 WHEREAS, CrossWind Technologies, Inc. created a working prototype of the system that  
24 parallels the prototypes BPD developed, to demonstrate the rapid development methodology and  
25 the simplicity that is key to a successful project; and

26 WHEREAS, the proposed Agreement with CrossWind Technologies, Inc. includes the  
27 following highlights:

- 28 ○ Allowing BPD to retain the right to use the source code for the product for future  
29 development should BPD and CrossWind ever decide to go in different directions.
  - 30 ○ Full incorporation of our prototype into the scope of work for the project.
  - 31 ○ A rapid development and deployment strategy that allows BPD weekly interaction with  
32 the developers to make changes and provide input.
- 33

39

- 40 o The option for either party to terminate the agreement, in which event BPD may continue
- 41 development of the project exclusively for Vermont law enforcement.
- 42 o Reasonable initial licensing and ongoing maintenance fees for BPD and other Vermont
- 43 law enforcement agencies opting to use the system.
- 44 o A support methodology that provides support to users.
- 45 o Development methodology for future phases of deployment; and

46 WHEREAS, Phase 1 of this project will cost approximately \$85,000, and will be funded by  
47 Federal Grant or Asset Forfeiture funds; and

48 WHEREAS, the proposed Agreement with CrossWind Technologies, Inc. was reviewed and  
49 approved by the Board of Finance at its meeting on November 8, 2010, and the Board  
50 recommends City Council review and approval of this initial Agreement for Phase 1 of the  
51 CAD/RMS project, with the understanding that Agreements to implement Phase 2 and 3 of the  
52 project will come back to the Council for review and approval as they will result in total contract  
53 costs for the CAD/RMS project that will exceed \$100,000;

54 NOW, THEREFORE, BE IT RESOLVED that Michael Schirling, Chief of the Burlington  
55 Police Department, is hereby authorized to execute on behalf of the City of Burlington, an  
56 Agreement by and between the City of Burlington and CrossWind Technologies, Inc. for the  
57 collaborative development of a Computer Aided Dispatch & Records Management System, per  
58 the terms and conditions of the Agreement attached hereto, subject to the prior review and  
59 approval of the City Attorney.
