13  
14 In the year Two Thousand Eleven.....

15 Resolved by the City Council of the City of Burlington, as follows:

16  
17 That WHEREAS, the Mayor's Moran Plant project is of great interest to all Burlingtonians,  
18 including to members of this Council, as it presents a real opportunity to help add life to the  
19 Waterfront year round; and

20 WHEREAS, there has been a dearth of information on the progress of the project lately  
21 and Councilors are hearing questions from constituents inquiring about the status of the  
22 Administration's efforts, questions which Councilors cannot answer because they do not have  
23 any recent knowledge of what, if anything, is transpiring with regard to the project; and

24 WHEREAS, it could be beneficial to all Councilors to receive a detailed briefing on any  
25 progress and the status of the Administration's efforts on the Moran project in order that this  
26 Council can understand what may be transpiring and help inform not only itself but all  
27 Burlingtonians;

28 NOW, THEREFORE, BE IT RESOLVED that the City Council respectfully requests that  
29 representatives of the Community and Economic Development Office (CEDO) be scheduled by  
30 the Council President as an agenda item for any forthcoming Council meeting to be held by June  
31 1, 2011 in order for the Council to be briefed on the status of and any progress on the Moran  
32 Plant project and to ask questions; and

33 BE IT FURTHER RESOLVED that a copy of this Resolution be sent to CEDO Director  
34 Larry Kupferman.
